

U.S. DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

JUL 25 2011

Dear Clerk of Courts

JULY 21, 2011
FILED

Enclosed are two Motions (1) for ineffective Counsel, I filed a Motion and sent it to Attorney Garity on June 30, 2011 he should of received it and the Motion was to Strike the Objection and I have a Motion to Compel as well, but because I have tried firing Paul Garity in open Court and on the Record April 21, 2011. It seems like Judge LaPlante and attorney Garity have a Conspiracy against me for being innocent and I will be filing a Motion To Stay all Proceeding until I myself hire another attorney. Paul Garity is not filing my Pre-Trial Motions at all and I used to inform you that I am asking for a Continuance for the Trial and a Waiver of my speedy trial rights. I am filing a Habe of Wit in the Appeal Court as well as a serious complaint against Judge LaPlante for giving me is old buddy Paul Garity Please do remember you only as good as the Court and when Judge LaPlante is selling is job because of Attorney General Michael Delaney because I for the State of New Hampshire Placed me wrongfully on a Sex offender Web-Page is totally wrong. There is the Conflict of interest with me, Garity, and LaPlante Bruce Belton v. United States, 2010 DNH 113 July 15, 2010.
